Subject: Dicamba II record excerpts

Attached are Petitioners' excerpts of the administrative record. This is not the complete record, but it is what you will need to match Petitioners' citation format with specific documents/pages. It is also, mercifully, much smaller than the full record. Volumes 8 and 9 were filed under seal and contain CBI; the password is dicamba2019

Note that volume 4 is not attached; I haven't yet been able to download an uncorrupted file. Michele or Ariadne, if you have a copy of volume 4 that you can open, please forward it.
